

TBC ADOPTION

Date _____

Thank you for coming to see me _____. I'm delighted that you want to take me home! But first, we would like to know more about you and the kind of life we'll have together. The questions on this application are not a test. They'll simply help us make sure you'll take care of me. For example, I should receive veterinary care when I need it, and I require regular, nutritious meals. I also need shelter and supervision so I don't run away and become part of the large population of stray animals. I have a few requirements before you can adopt me. You must: Be at least 18 years old Make sure all the adults living in your household know about me and agree that I can live there. **TBC Corporation reserves the right to refuse any pet adoption.** Section I - Getting to Know You: I want to know all about you and my new surroundings. Tell me more about yourself.
