

# TBC FOSTER CARE

Date: \_\_\_\_\_

Thank you for housing me \_\_\_\_\_. I'm delighted that you want to take me home! But first, we would like to know more about you and the kind of life we'll have together. The questions on this application are not a test. They'll simply help us make sure you'll take care of me. For example, I should receive veterinary care when I need it, and I require regular, nutritious meals. TBC will help with my care and my food, (litter etc). I also need shelter and supervision so I don't run away and become part of the large population of stray animals again. I have a few requirements before you can foster me. You must:  
Be at least 18 years old  
Make sure all the adults living in your household know about me and agree that I can live there. **TBC Corporation reserves the right to refuse any pet foster.** Section I - Getting to Know You: I want to know all about you and my new surroundings. Tell me more about yourself.
